Placing YOU First, Keeps Us First

A black and white photograph of three young women smiling and holding Pepsi bottles. The woman on the left is holding a bottle with the Pepsi logo clearly visible. The woman in the middle is holding a bottle behind her head. The woman on the right is holding a bottle in front of her.

Take sun, sea and sand...
add close friends and cold Pepsi—suddenly
things don't look half bad.
Nothing touches Pepsi's crisp, cold taste
for cutting the thirst you build soaking up sun.
And when it comes to putting back drive—
Pepsi kicks sand in the face of any
other cola on the beach.

Helping To Build A Finer Carolina

CP&L contributes to the area's growth in many ways. For example, when our industrial development specialists help a new industry find a site, it improves job opportunities and increases the local tax base. When our agricultural development engineers help a farmer produce more profitably, it increases the flow of money in an area. So helping build a Finer Carolina is more than just a nice-sounding phrase. It's our daily way of doing business.

All dressed up, and someplace to go

This is the year of our centennial. One hundred years old, we are, this year. To add to the excitement the men are sporting mustaches, mutton-chop sideburns and beards in the style of 1871 when Mr. Edwards (who wore a mustache) and Mr. Broughton (who had both a mustache and a beard) founded our fine company.

We're going to throw a bit of a party for ourselves and have a beard-judging with prizes. The girls aren't left out—they have made beautiful long dresses in the style of the 19th century maxi. They'll have prizes too, but that's another story.

THE 1971 LATIPAC

There is a new trend in annuals. The producers of the 1971 LATIPAC have laid aside the format of the past.

No longer is the portrait section near the front of the book. In fact, the seniors are last. There is much emphasis on photojournalism. The pictures tell the story of life as it is, not as an idealistic representation of what it should be. No longer is a page given to an individual club even though the layout is in a way traditional. The copy has been omitted. Organizations, events, and people are named, listed, and grouped.

The journalism classes helped with layouts, copy, pictures, and advertisements. Lynn Hodnett did the artwork. Mrs. Porter's class typed the copy. Smith Studio made the senior portraits.

Delmar Studio made the sophomore and junior pictures. Mr. Paul Hoch and Mr. Jeff Hill of Edwards and Broughton helped with the layout.

Mr. Bernie Batchelor, Mr. Frank Crawford, Walter Hogan III, Steve Adams, and Bruce Watson helped capture life in this school year.

Miss Paschal was the faculty adviser.
